

Ieri.....la morsettiera!

Yesterday.....the terminal block!

Oggi.....il blocchetto ripartitore!

Today..... the distribution block!

- Installazione veloce e sicura
- Capacità di connessione fino a 6³, 32 A
- Tecnopolimero VO - UL 94
- Resistenza termica T 125° C
- Installabile in TEEbox (IP68)
- Fast and safe installation
- Connection capability up to 6³, 32 A
- Technopolymer VO - UL 94
- Thermal resistance max 125° C
- Installable in TEEbox (IP68)

TEEfamily. Prodotti innovativi ad elevate prestazioni.

TEEfamily. Innovative products, high performance.

Soluzioni per la connessione elettrica ad elevato grado di protezione. Materiali performanti e soluzioni tecniche innovative garantiscono alti standard qualitativi e di sicurezza. Compatti, intuitivi e funzionali, velocizzano il lavoro dell'installatore. Per valorizzare il tuo impianto, scegli un partner sicuro ed affidabile, scegli questo marchio!

Electrical connection solutions with high IP rates. High performance materials and innovative technical solutions, assure high quality and safety standards. Compact, intuitive and user-friendly, faster installation to give your installation added value. Choose a safe and trustworthy product, choose Techno!
